Some of the popular attractions to be enjoyed on your visit to Litchfield National Park are described briefly below. The majority of attractions are easily accessible by two-wheel drive on sealed roads - some of the more remote attractions are accessible only by four-wheel drive vehicles. Visitors should also be aware that some of these attractions may not be accessible during the wet season months of November through to April. Within the region jump on one of the guided tours which include quad bike tours with NT Adventure Park or a scenic helicopter tour with NT Air.

Contact the friendly staff at the Darwin Visitor Information Centre for vehicle hire with unlimited kilometers, accommodation and tour bookings. See our website tourismtopend.com.au for more region information and suggested itineraries.

**Litchfield National Park**

The Lost City
- Approximately 8km off the main Litchfield Park Road is the impressive sandstone pillars reminiscent of ruins from a long lost civilization. Accessible on a rough track by four-wheel drive only. Open May to November - seasons permitting.

Florence Falls
- A spectacular double waterfall set amid monsoon rainforest. A nearby viewing platform is ideal for sightseeing and photography. The area has a campground with showers and toilet facilities. Camping permitted, fees apply. Toilet facility available.

Buley Rockhole
- A series of small waterfalls and rockholes provide the perfect place to cool off and relax. A walking track leads from Buley Rockhole down to Florence Falls. Toilet facility available.

Wangi Falls
- The park’s most popular visitor attraction due to a large freshwater pool fed by two high falls and easy access. An interpretive walk commences near the pool and is an excellent opportunity for photography. Allow one hour for the 15km return walk. Wangi Centre, cafe and campground has amenities including toilets, showers, and free gas BBQs. Camping permitted, fees apply. Toilet and solar hot water shower available. Wheelchair access.

**PROSPECT HILL**

Tabletop Swamp
- A Billabong with native reeds and snowflake lilies surrounded by a Paper Bark Swamp area. See Wildlife such as Egrets, Magpie Geese, Black Cockatoos and Agile Wallabies. Open May to November - seasons permitting.

Toilder Falls - Viewing platform and trail
- One of the most spectacular falls, cascading over two separate escarpments into a distant plunge pool where several colonies of rare and protected Ghost Bats and Horse-shoe Bats live. No public access to the plunge pool. Wheel chair access. Toilet facility available.

**BELTCHER**

Blyth Homestead
- Just off the Raymonds River four-wheel drive track to Tjaynera Falls (Sandy Creek) is the old Blyth Homestead built in 1892 by the Sergeant Family as an outstation to the main Stapleton Homestead. Blyth Homestead was abandoned in the 1960s and is preserved for visitors, complete with excellent interpretive signs depicting local history.

Tjaynera Falls / Sandy Creek
- Nestled in an open valley, luxuriant with paperbarks, relax and enjoy the usually uncrowded plunge pool. Accessible by four-wheel drive only the falls are 9km from the southern access track. Open May to November - seasons permitting. Camping is available with toilet and shower facilities.

Surprise Creek Falls
- Approximately 24km off the Litchfield Park Road by four-wheel drive only is the southern access turn off to Surprise Creek Falls. A short walk through shaly monsoon forest leads to a large tranquil pool and pleasant waterfalls for a swim. Camping permitted, fees apply. Toilet facilities available.

**STUART HIGHWAY**

**COX PENINSULA ROAD**

Magnetic Termite Mounds
- A major attraction soon after entering the park are the numerous giant termite mounds. The magnetic termite mounds, standing up to two metres in height, face north-south in one orientation to control the temperature throughout the day by exposing the least amount of surface area to the sun. Toilet facility available.
